## Synopsis

Adult Scenes with very Spicy Content. EroticStorms style of writing is very detailed and descriptive. Especially the sexual content. Don't be surprised if you feel the action as it unfolds. There's a lot more to this man and the reasoning behind her parent's decision to hire him than meets the eye. Nevertheless, all this will unfold as the series progresses. The BDSM, alpha male lifestyle is discussed during this series, and Katie gets a sexual education like no other. Covetous Indulgence is the second book in, "The Katie Holmes Series." • Well, so far in book one, Carnal Submission, we have discovered how sweet, naive eighteen-year-old, Katie lost her virginity to James. We know at this point that James was employed to be her tutor. However, James has taken his duties beyond that of a conventional tutor. Having said that, we need to explore more of his role. Also, why Katie's parents chose James for the job. Nevertheless, James advances Katie's education to another level, when he teaches her to give head, take anal and a lot more. As their interaction grows, Katie learns that James is a lifestyle master. Still, that information only opens up an array of possible reasons as to why James was employed. Nevertheless, between them, they decide to set their course. I don't want to give too much away. However, this book contains graphic and very descriptive sex scenes. The content includes an older man-younger woman, cock sucking, blowjob, spanking, 69, oral, anal, double penetration, nudity, first time for numerous things. It's just the beginning of her education. All oral, sexual and foreplay applications portrayed in my books are actual methods that work. I'm aware of the fact that a lot of women wouldn't have heard of some of the erogenous spots mentioned. Or for that matter used the methods of stimulation outlined. However, as I have stated, they are real and can lead to some fantastic orgasms. That part is up to you and your partner or you alone I'm afraid, but if I've brought it to your attention I've done a good thing. Enjoy! No one will judge. This book is a work of fiction, and it covers coming of age, new adult, & college, saga, contemporary woman, romance, erotica, romance erotica and some may say fantasy. My writing also contains humor, women's fiction, action and adventure. This series is a collection or an anthology of short stories. Available only in e-book form until the end of the series. I'm not a New York Times and USA Today bestselling author. However, considering the number out there that claim to be, this is most likely a good thing. Since I've been writing, I have never seen so many who make outrageous claims. In today's society of relaxed sexual boundaries, a lot of women secretly crave the fantasy of submission. For most, they use it as an escape from reality and the everyday pressures of life. Personally, I know that a lot of very successful women use the lifestyle, as escapism from their high-powered jobs. It allows them to surrender all decision making to another, even if only for a short spell, maybe just on

weekends away from their workplace. For those who read works of the following will be interested in my style of writing. Alexa Riley, D.L.
