Synopsis

When Mikayla imagined her prom night, she envisioned a fairy-tale evening full of romance. So when betrayal and tragedy come in quick succession, Mikayla is completely destroyed. Suddenly, everything she loved and everyone she relied on are tragically, irrevocably gone. Jake, a handsome boy she just met, happens to witness her loss. With no one to turn to, Mikayla is forced to depend on this near stranger and his family, and he in turn is determined to take care of her. But Mikaylaâs thrust into adulthood with no one to guide herâs desperate to contain her grief and hide what she considers to be her weakness. Mikayla and Jake both want more, but despite their growing closeness and intense chemistry, she tries to keep her distance and protect her heart. As he does everything in his power to win her trust, Mikayla must choose between remaining alone and safe or letting love in. Revised edition: This edition of More Than This includes editorial revisions.

Customer Reviews

More Than This was more than a book, a story, words strung into sentences, paragraphs, pages. More Than This was a heart, a feeling, an experience. An experience of a girl who loses everything everything and the man who shows her the way back to herself. No, scratch that. The man who

shows her that she already knew the way back. Prom should have been everything that little girls dream of. A handsome Prince, a beautiful dress, friends who accentuate the experience with laughter and risky behavior. Instead, for Mikayla Jones it was the worst night of her life. At the same time, it may have led her to find the best thing that ever happened to her. Is that possible? To have everything ripped from you, only to find something that is like a balm for your soul? Instead of the fairy tale prom night Mikayla was expecting, she finds out something that dashes that hope. Devastated, she turns to Jake Andrews, who is a little bit of a big deal. He sees something in Mikayla that he is drawn to, something that he cannot walk away from. He invites her to spend that night at his prom, with his friends. Having no desire to spend the night with hers, she agrees. After an amazing night, she returns home only to have the previous tragedy rocked by one so dark, so heartbreaking, that it destroys her. And the only thing that's left for Jake to do is pick up the pieces and glue them together. One. By. One. As Mikayla and Jake navigate the wake of the tragedy together, Mikayla grows more and more dependent on Jake, who doesn't mind being there for her. Having lost everything, she agrees to stay with his family until she can make other plans. The more time they spend together, the more their feelings deepen from friends to something else.
