Always The Best Man (Crimson, Colorado)

Synopsis

THIS TIME THE GROOM?Â Hometown golden girl Emily Whitaker couldn't have left Crimson in her rearview mirror fast enough…until life threw her some curveballs and she's back—divorced and with a young son. Her brother's wedding should have been a welcome reprieve, but Jase Crenshaw is the best man to her maid of honor. She'd steered clear of him when they were kids, but now Jase has become one highly irresistible man.Â Jase always harbored a crush on his best friend's sister. Back then, she was too good for the kid from the wrong side of the tracks. Now she thinks the upstanding town lawyer and mayoral candidate is too good for her. Can Jase convince the girl of his dreams they're both actually perfect…for each other?

Customer Reviews

Michelle Major delivers another winner! Luckily for me it is one of my top two troupe's ever, for best friends little sister. With her latest Crimson, Colorado book, "Always The Best Man" Michelle Major delivers and this time combines breaking your heart even as it melts it. Once again she delivers characters you can't help falling in love with, from the main characters of Jase Crenshaw and his best friends little sister, Emily Whitaker, who are both trying to overcome their past. To Emily's

sweet little boy Davey who suffers from Aspergers with his penchant for building with his Lego's, to her mother Meg , who is starting to find love again after suffering the devastating loss of her husband to cancer, to his father Deacon, the alcoholic all the way down to Jase's adorable puppy Ruby. They all manage to break your heart even as they steal it in Michelle's latest wallop packer. And I do mean it packs a wallop! Even though this is another in her Crimson, Colorado series it's a stand alone whether you've read the rest of not. Michelle Major has never disappointed me in the past and this time was no different, I recommend grabbing this up before its gone so you can see for yourself how fabulous not only this story is but how fabulous Michelle Major is. I can't wait to see what happens next when she returns to Crimson, Colorado!

I cannot say enough good things about Michelle Major's books. I have loved everyone of them! Always the Best Man is about Emily who grew up in Crimson but married to get away from the small town and Jase who is Emily's brother's best friend. Jase has had a crush on Emily since high school but Emily never cared for Jase. Now she is back in Crimson with her son who is on the Autism spectrum. Her ex didn't want to have anything to do with his son because of his issues. Emily has a lot of regrets and knows she wasn't the nicest person when she left, but she has grown so much and shows so much love for her son and family. Jase is the nicest guy ever but he has issues due to his family. Loved watching jase with Emily's son David. Michelle has a way of making you love her characters even if they have flaws and developing the relationships so you feel apart of the story. The ending to every one of her books is well written, she always has the hero and heroine talk and resolve all the issues. Her ending are never short and leave you hanging. This is another great book by Michelle and great addition to this series.

I loved Emily and Jase' story. Jase was Emily's brother's best friend and has had a crush/been in love with Emily forever. Emily thought she was "too good" for Crimson and had married and up and coming politician and moved away a few years ago. Well, when her mom got sick, she came back home and stayed. She and her husband are divorced and she has a son with Asperger's that she is devoted to. She talks Jase into letting her work for him in his law office, now, she is secretly attracted to him, but doesn't think she deserves him because she treated him badly when they were growing up. Jase is also running for Mayor, his family background is not so good, his dad was the town drunk and Jase is still working hard to keep him sober and other family members in the past had had trouble with the law, and Jase was trying to change the way people thought about a Crenshaw. Throw in a family who likes to bully people and you have an interesting race for Mayor,

with Emily and Jase working together, getting closer and Emily finally admitting her feelings for him. Jase is awesome with Davey, Emily's son, the daddy he needs and so is a puppy dog named Ruby. As you read, you will watch two soul mates come together.

I loved returning to Crimson, Colorado for another stellar romance! This entire series has been wonderful and Always The Best Man is no exception. Full of heart tugs, swoon-worthy moments, and Major's trademark humor, this story keeps you turning pages long past bedtime! Jase is no longer the kid from the wrong part of town-he's a well respected member of the community who makes a difference on a daily basis. Emily is forced to return to the hometown she was so anxious to leave behind after high school. The pair are thrown together as they are both attendants in Emily's brother's wedding. Past feelings return to the surface, along with some complicated new ones, making for a delicious ride! Loved it!

Michelle Major has done it again! A fun, heart felt, engaging story that pulls you in from the first page and keeps you eager to read more. Another great story where we get to know more about some of the people in Crimson, Colorado. That's one of my favorite things about Michelle's books, how well she makes the characters come alive on the page. If you have not read the other books in the Crimson series, no worries. You will still enjoy this book very much and then you will want to go buy the others to learn more about the other characters. Buy this book, sit back, relax and enjoy letting the story unfold as you turn the pages.

I loved this story! I am a huge fan of Crimson Colorado and this story didn't disappoint me at all! I've been waiting for Jase to get his happy ever after! I wasn't sure I was going to like Emily, but her side of the story is well written. I hate that we have to wait so long for the next story. This can be a good stand alone but even better if read in order of the series!
