I Can Love You (3 Tales Of Interracial Love) BWWM 3-Book Boxset

Synopsis

This set contains the following BWWM Contemporary Romance Stories:
Worth the Risk: Houston music critic Alvin Zak becomes smitten with violinist Madeline Deever from the first moment she lays her bow to her violin to perform a concerto. Sent to review the orchestra, Alvin becomes so enraptured by Madeline that he asks her if he can do a feature on her. The polite, yet elusive Madeline agrees to think it over while declining Alvin's invitation for coffee. Alvin does not understand Madeline's abrupt refusal to his invite and it makes him even more interested in getting close to her. The last thing Madeline is looking for is love since she is harboring a secret that has the power to ruin any potential relationship. Convinced no man would love her enough to accept her situation, she fights off Alvin's advances, but begins to fall in love with him. Can Alvin convince Madeline to trust him and give into her feelings or is Madeline destined to spend her life alone?
Outside Woman: While running from the law, Thea ends up in an Amish community inhabited by Elijah, the childhood friend of her late uncle. Not knowing the real reason she showed up, Elijah agrees to let her stay with his family temporarily. However, Elijah has two rules that cannot be broken. First, Thea has to adopt the Amish lifestyle and respect their culture. Second, she has to stay away from Elijah's son Jacob, who has been shunned by the entire community. Thea has no problem with the first rule, but from the moment she sees Jacob, she realizes Elijah's second rule is impossible to follow. Jacob is just as infatuated with Thea and refuses to turn his back on her, even after he finds out her secret. When Jacob decides he must leave the community, will Thea run from him or with him?
Sometimes Money Ain't Enough: When Raquel and Tobias meet, it's like pouring gasoline on a flame, and sparks fly in all different directions. After Raquel's company, Hood Industries, leaves construction worker Tobias Criss unemployed, he swears to get revenge on Raquel and her brother. From the minute Raquel and Tobias meet, they feel an overwhelming attraction, but their misconceptions of each other threaten to keep them apart. Raquel Hood has everything a woman could want; money, beauty, and an entire town under her command. But after meeting Tobias, Raquel realizes that sometimes money ain't enough.

Customer Reviews

I received this as ARC for my honest review. This is the perfect box set to read you get three stories in one book. *Worth the Risk*: Music critic Alvin falls for violinist Madeline the first time he hears her play. She is not willing to get involved with him or anyone else due to the secret that she has. *Outside Woman* Thea is running from the law, winds up in a Amish community and is taken in by Elijah a friend of her uncle's. She falls for Jacob , Elijah's son who is shunned by the Amish community. *Sometimes Money Ain't Enough*: Sparks fly when Raquel and Tobias meet but for all the wrong reason. Raquel's company leave Tobias with out work and he plots his revenge, but we all know how that will turn out. Each book works well as a standalone, but they are great together in this collection. Each book gives us hope that love will prevail and that we all can find our happy ending. I truly enjoyed reading each book.

Wow! I am blown from these three reads!!!! Each page kept me going deeper into the lives of each character. I like that all three stories shared an interesting plot- from the love between two musicians (one who has her guard up), from running from the law into an Amish community and falling for an Amish guy .. and in the last story, having feelings for a man you fired who wants revenge. Hahaha AMAZING TWISTS! The one I enjoyed the most was the last story, *Money Ain't Enough*. Tobias wants payback against Raquel for firing him, but he knows damn well he can't get payback on someone he is craving smh. LORD! Raquel is a very wealthy woman and she has high standards, but she is convinced she's wanting him as well. That is the part!! A type of LOVE HATE RELATIONSHIP is one of the best types of relationships. The attraction they shared was sort of like

a 'peek-a-boo' type of thing. I love that between a man and woman. This was a sweet collection of swirl love!

I admire the fact that this author dedicated this book to a family member which explains why she uses such passion in her writing style. All three of these romance tales make you want to just find someone and fall in love with them! I connected with Alvin and Madeline for the fact that they are mysterious to each other..reminds me of Beauty and the Beast when the beast has to gain trust from Belle the same as Alvin has to receive Madeline's trust..she'd so hidden. I loved this book and I will be adding to my favorites!!!

This box set had three wonderful stories. I don't like to be a spoiler and give the stories away. You must read these hot romantic stories for yourself. Each story held my attention and I recommend this read! This author did an excellent job of penning each story. I can't wait to see what this author comes up with next!!!! Five stars indeed!-T.H.
