Synopsis

A delicious cupcake, a tempting promise with unforeseen creamy consequences, and hot dirty sex! He bent me over quickly and he let out a deep chuckle. "It seems that you'd do anything I asked of you." He grasped my hair and pulled my head back as he nudged his leg between mine. He nuzzled the back of my neck and placed a rough kiss against my ear. "If I told you to touch yourself," he paused and gently sucked on the side of my neck, "would you?" Customer Reviews

Oh wow were can I get such a cupcake ;-) Lacey walks by an bakery when she sees the cupcake in

the window, promising to make her dream come true. Her dream is to get larger breast more fitting with her figure. Her wish come true, with as an extra she is giving milk. Since that wasn't the plan she goes back to the bakery to ask what happened to her. Than man in the bakery is a werewolf and what follows is very hot. But than she finds out there is a time span at her wish, if she wants to keep her breasts she needs to eat those cupcakes more often. I like this hot short story and wouldn't mind reading more from this writer. Lacey is a woman who knows what she wants and does everything in this book on her own control, without being kidnapped or so.

Very hot and sexy I really enjoyed it but it is very short so enjoy the sexy heat while it lasts
