The Magic Tablet: The Complete Series

Synopsis

Jacob is just a regular guy until he's given a strange tablet with incredible god-like powers. He can change anything he wants about himself—transforming his average joe body into something that makes women cream just from seeing him. And he can transform the women in his life however he likes—changing them from lesbian snobs into member-worshipping lovepets with a flick of his finger. Soon, every hot babe he wants—including his delectably sexy students Phoebe and Gwen—are desperate to have him fill their fertile bodies and breed them silly. Even his wife Vivian, who is adamant about never being pregnant, is helpless to do anything but obey when Jacob uses the tablet to change her mind and her body to his liking. Soon, he takes over a strip club to add to his erotic harem and utterly conquers the hottest woman he's ever seen in Daniela, corrupting her so thoroughly that she falls just as much in love with his power as she does his enormous, mind-breaking masculine member. But it's not all fun and games. He's found an object of great power, and a gorgeous immortal sorceress wants it for herself—and she'll stop at nothing to make him pay for taking what she believes is hers. This hot bundle includes all three titles from "The Magic Tablet" series, including "Ruling His Hot Students," "Ruling His Own Strip Club," and "Ruling His Immortal Enemy."

All this is is a teen male fantasy. The first story was very good, but by the second he had morphed into a sadistic monster. By the third there is no eroticism left at all. He has destroyed a person who loves him and doesn't care. He has no love or morality. There is nothing left for anyone to identify with. Read the first book. The last two are a waste of time.

This is one of the hottest series ever written. The magic tablet is a mix between the magical world and the technology. A simple middle age teacher gets his hands on it and is transformed in an Alpha male for every girl in his life. The story is really entertaining and involving. The girls are absolutely stunning and the action is so hot your read more and more just to have it coming. Amazing story with super hot action, made me want to have such a tablet and use it as my own.

Hot! Jacob is you average guy until he is given a tablet that makes him god-like he is happy to use it to make women his sex toys and rich beyond his dreams. However the original owner will do anything to get the tablet back. This is a fast paced very hot read! Great story and hot sex scenes. Loved it!
