Querida Dra. Polo: Las Cartas Secretas De 'Caso Cerrado' (Dear Dr. Polo: The Secret Letters Of 'Caso Cerrado')

Synopsis

A través de un formato epistolar, la Dra. Ana María Polo nos ofrece un dramático retrato de vidas sin respuestas. Son los casos desesperados de quienes le escriben a la espera de un espacio en su programa o una solución a sus problemas, pero cuyos relatos son demasiado explícitos, extraordinarios, o desgarradores para la pantalla televisiva. Cada uno recibe aquí la respuesta de la Dra. Polo. Una respuesta honesta, directa y a veces dura, pero siempre con el cariño y la sensibilidad que caracteriza a la Dra. Ana María Polo.

ENGLISH DESCRIPTION

Welcome to a secret world, a place where passion, obsession, and the most startling human perversions come together to create a labyrinth of lust and pain, of hope, love, and, sometimes, even humor. From this gray area, where the lines between right and wrong have been blurred, thousands of people write to Dr. Ana Maria Polo. Sometimes, because of their explicit content, the letters are vetoed for airing on television. Now, in her sensational new book, Dr. Polo presents some of these censored letters. Caught in a whirlwind they cannot escape, many troubled people reach out to Dr. Polo, the acclaimed television jurist, in the hope that her common sense and unerring ability to find justice and forgiveness can help them find their way. You may find the contents of this book shocking. But the stirring humanity of those seeking help will make you cry and laugh, and will help you understand what Dr. Polo knows only too well: everyone of us has been in a place in which we never expected to find ourselves. It's when we ask for help that we can often find a way out of almost any situation.

I couldn't expect less from Dra. Polo. The book is great, very entertaining and certainly it is not a children's book so I don't know why other people are offended by its content. When promoting the book she says clearly that these are cases too graphic to be aired on TV, and they are. but I am a great fan of hers, I am only 22 and I would definitely recommend this book to anybody.

I just got the book & so far I'm loving it! It's not a book that a kid should read because it has some strong letters & too explicit! Hence the reason it wasn't aired on tv. Very impressed with the letter I've read so far & very professional the Dra. Polo's replies.

Es una recopilacion de casos reales, en donde se despertara sentimientos de impotencia al leer la realidad de muchos y muchas personas que llegan a vivir lo imaginable. Este libro se lo compre a mi madre, quies es una fanatica de "Caso Cerrado". Por lo poco que llegue a leer, este es un libro que tiene que leerse con muy amplio criterio. Es obvio que no es apto para la television debido a su alto contexto en violencia y sexo. A mi madre, quien es una fanatica de "Caso Cerrado", le parecio fuerte y algunas veces desagradable. Es un libro detallado en su mayoria de veces, demasiado grafico y algunas veces sensacionalista diria yo, que puede provocar en el lector un grado de incomodidad. Un libro de esta magnitud no se puede recomendar deliberadamente a cualquier persona. Tampoco lo recomiendo como un regalo para alguien.

Este libro tiene muchas cartas de las personas que ven el programa historias y unas son anetotas de sexo bien especificas que muchas personas se pueden ofender pero en la realida de todo le entretetienen , no estoy seguro si la doctora polo escribio el libro y la razon que lo digo Es porque Ella contesta las cartas en algunas ocaciones dise malas palabras oh responde de una manera que no creo que sea la doctora polo , si te gusta el primer libro el segundo Es mas fuerte a mi forma de pensar

I BUY THIS BOOK FOR A GIFT PRESENT. I JUST READ SOME PAGES, AND FOR ME IS SOO GRAPHIC AND EXPLICIT IN SEX CONTENT. REALLY, I DON'T LIKE THIS KIND OF BOOKS. I DIDN'T GIVE IT TO MY PARENTS, IT WENT TO THE TRASH.

compre este libro que esta muy bueno,pero me sorprendi al ver la cantidad de informacion explicita que contiene,se lo recomiendo a mayores de 18 anios y si estas intersados en un libro de historias reales.

What part of "cases that were too controversial to air on tv" do people not understand? Why would anyone be shocked? This book would obviously deal with strong topics which are controversial in nature. This is REALITY, not Mother Goose. Dr. Polo has always addressed her cases on tv in a tactful yet direct manner, always considering her show is aired on tv. The cases which were too graphic and could not be aired are related in this book. I thought it was excellent and was written in a profesional manner. This is not porn or sensationalistic. It is reality folks, deal with it.

I purchased this book for my wife. She is a big fan of the TV show and wanted to see this book. She did tell me it got more detailed at first but hey thats what the description says basically its the stories she couldnt air on TV. So make sure you read this! This is most def a R rated book! Other than that she loved it, finished it in 2 days. I couldnt pull her away from it!! Literally!
