## Grace In Retail: The Bonus (Part I)

## Synopsis

Grace has just survived another brutal holiday season working as a store manager in retail. With the company announcing corporate realignments due to budget constraints, Grace has growing anxiety if whether or not she and her team will get rewarded the sales bonus they worked so hard for.

Already having experienced the company not following through on promises, Grace has prepared to take on the motto, "no bonus, no customer service" on what could be her last day of work with the company. This little book is golden! If you've ever been frustrated with shopping malls or big box stores with a zillion department, this is a must-read. I'm delighted to see that it's Part 1. Can't wait to read Part 2.
