The Killing Dance: Anita Blake, Vampire Hunter, Book 6

Synopsis

The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Eventually, I found out that the word on the street was that Anita Blake, preternatural expert and vampire killer extraordinaire, was worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise. But I'm beginning to wonder if two monsters are better than one ... --This text refers to the Paperback edition.

Book Information

Audible Audio Edition

Listening Length: 13 hoursÂ andÂ 8 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Penguin Audio

Audible.com Release Date: December 3, 2009

Best Sellers Rank: #44 inÂ Books > Literature & Fiction > Genre Fiction > Horror > Vampires
#129 inÂ Books > Audible Audiobooks > Fantasy > Contemporary #163 inÂ Books > Audible Audiobooks > Fiction & Literature > Horror

Customer Reviews

I'm quickly making my way through the Anita Blake series. Any of these novels is a winner on its own, but you'll miss so much if you don't start at the beginning (GUILTY PLEASURES). DANCE, in my humble opinion, is the best book thus far in the series. The main characters (Anita, Jean-Claude, Richard, Edward) are much more developed, the relationships between them all are so well written that you start to feel like you know them. In DANCE, Anita faces the realization that a mysterious "money man" has put out a huge contract for her death. With the help of her friends (and I use that term for lack of a better word for these complex characters), she battles her way through shapeshifters, shooters, makers of shapeshifter-porno movies, vamps, psychopaths and cops. And then things get strange.... Forever undaunted, Anita arms herself to the teeth to protect her life as well as the "lives" of the men/undead/werewolf that she loves. DANCE also brings Anita to some

decisions regarding her feelings for Jean-Claude, the seductive Master Vampire of the City, and Richard, the potential alpha male of the local werewolf pack. Who will she choose? Will she tell them both to take a hike? How will she reconcile her own ambiguous feelings about what it means to be a monster and what it means to be in love? All in all, this entire series is a great ride. Anita narrates each story. She's petite, she's pretty, she's tough. She doesn't need to be rescued because she's typically the one doing the rescuing! She's a necromancer with incredible powers, and these powers are more developed in DANCE through her relationship with Jean-Claude and Richard. Laurell Hamilton introduces new characters and brings in some old ones from prior novels.
