Customer Reviews

Most people will see the title, which is in Spanish and unless they read Spanish will go on to another book. However, the product description and the blurb are in English and state that the book is in English. I really like Beth Moore's contributions to growing faith and have several of her books and DVDs in my library. Because she speaks clearly and helps others to find clarity I thought that this confusion should be cleared up.

Lleno de hechos e informaciones de interés. Todo el mundo puede recoger un bocado, desde el cristiano principiante al veterano estudiante de la Biblia. Full of interesting facts and information. Everyone can glean a morsel, from the novice Christian to the veteran student of the Bible.

Anything she does is amazing- how she has time to apply any truths to real life when she is writing so much is beyond my comprehension but I am grateful she shares her wealth of knowledge and makes things sweet and simple

I would recommend this book to any Spanish speaking women--or one who is trying to learn Spanish language--Beth Moore is an excellent speaker/teacher of GOD'S word--- I have not read all of the Beth Moore books that I have acquired---"yet" Thank you for sharing with me--

Just like Beth ,Jesus is the love of my life. If you have not experienced an intimate relationship with Jesus. This book will help, if you have it just confirms and reminds you why you love Him so much.

I recommended 100%...Beth has a special way to help you live through the pages of the book of Luke, with Jesus. It will touch and change your life, and you will want to read it again and again,

I must have purchased this by mistake since I don't speak Spanish. But I can tell you this, anything by Beth Moore is wonderful! I am sure this is no exception.

I love all of Beth Moore's books and study guides. This was a free download, so I got it even tho its not in English. I can use my translator to read it.
