Customer Reviews

Such a tempting and nice hot read. The father-in-law character was written perfectly well. A nice story line, which expresses an 18-years old girl feelings about being a stepdaughter and stepsister, with all the complex aftermaths following. It's what for the first book. The second one continues a series. This was about a 19-years old girl already and her mom 48, looked like 30... Her "daddy" always called her "sweetlips". Their adventures in Vegas excited a lot. The third is another great story and step-father virginity taker.

Great story for anyone who likes to read about erotica. The writer sure has a vivid imagination and it's a pleasure to read. It's written very well so you can understand what's going on. I'm going to read more of Lucy, she has a gift

Enjoyed it! It is unusual for me to post reviews on books with this kind of theme but this one deserves a 5 star review! I totally got hooked on the romance story with a bit of naughty and wild side. The writing was great! I was able to visualize every scene! Lucy Lixx must have a really wide imagination to come up with such story! I love it. It was a great read and I wasn't disappointed at all. Although I kinda didn't like the cover of the book, too bright colors. Well this proves that you shouldn't judge a book by its cover ^

The story of a beautiful young girl with small breasts, her daddy loved her, not as a daughter, but, as a girlfriend. The story turns between these two characters. The love scenes are good, and I enjoyed to read everything in this story. Maybe the storyline can be much better but overall, it was a good story to read.
